

Whitehaven Kindergarten School Age Centre

Summer Program 2018

*Hello  
Summer*

RM 104

Christopher

July 2 – 6 2018

Welcome to the summer. **Firstly, the centre will be closed on July 2<sup>nd</sup>.** This week we will be focusing on team building and communication activities. It is very important that each child has their signed field trip permission form returned to the centre by this week. **We will be departing on our first of many field trips this week to Woodroffe High school.** Please bring your lunch as well as fun outdoor toys and games,

July 9 – 13 2018

The highlights of this week centre on games and presentations. Our ever popular ping pong tournament will be happening this week as well John Pert's Magic show on Wednesday. **Don't forget to bring games from home on Tuesday,** let's see some games we haven't played before! **Also this Friday a pizza lunch will be provided.** Please send snack and drinks with your child(ren).

July 16 – 20 2018

A favourite amongst the group at Whitehaven is our classic game show days. Test your knowledge and smarts with these challenging group games. Also this Tuesday we will be making our own CHILI! A first at Whitehaven! On Wednesday, AnnieMagination will be guiding us through a painting workshop! **On Thursday we will be returning to Woodroffe High School for another lunch! Bring your toys!**

July 23 – 27 2018

This week will be a celebration of Food and Drink! From making infused water with fruits and vegetables, to learning more about nutrition, to a pot luck, we will be more than satisfied! **Our field Trip to Loblaws is on Tuesday, please keep all electronics at the centre.** We won't need them. **For the Pot Luck, please bring snacks to satisfy 15-20 children for a snack.** Jackie Dutoit, a storyteller will be visiting on us on Friday as well. Open your ears to incredible stories from afar!

July 30 – Aug 3 2018

This week will be a mish mash of a number of different experiences. **Dr. D will be once again joining us for an interactive science presentation on Wednesday.** Another big event this week is our trip to Bayshore Shopping Centre on Friday. **Please do not send money with your child.** Each year the children have thoroughly enjoyed this trip!

Aug 6 – 10 2018

**This is a friendly reminder that the centre will be closed on Monday August 6, 2018.** On Wednesday of this week we will have a special presentation by Oh LA LA where the children will be making wax hands! Exciting! **Also another field trip this week for a lunch at Woodroffe High school! Please bring lunch and balls and toys!**

Aug 13 – 17 2018

This week is international day week. For every day this week, we will be observing a different strange national holiday. For instance, on Monday is International left handed day. The person who only uses their left hand all day will receive a prize! **Don't forget national Thrift Shop Day on Friday. Come dressed in the craziest thing you can think of!**

Aug 20 – 24 2018

**A Whitehaven first! We will be visiting the Byward Market On Friday. We plan to leave by 10am. Please have your child at the centre by that time! We will be visiting the market and the surrounding historical monuments. We shall be returning early in the afternoon.** Tuesday will be our ever popular poutine buffet. I'm sure you've heard stories!

Aug 27 – 31 2018

**Please note the centre will be closed on Friday August 31<sup>st</sup>.** I ask that children rummage around at home the weekend previous to this week. Look for outdated electronics to bring in so we can disassemble then reassemble into our own creations! **This Thursday is a Pizza lunch. Please provide snacks as well as drinks for your child(ren) on this day.** On pizza day we will also be baking cupcakes! **Bring in your favourite topping to share with the group!**

This summer program was compiled based on the interests and developmental levels of the children in the older school age program. With a focus on team games, healthy competition, exploration and inquiry, this summer will excite as well as educate the children attending. A number of perennial activities have been slotted into this summer's program. When asking the children what kinds of experiences they would like to partake in, they regaled each other and the staff with memories of activities previously programmed. I am excited to provide an involved program that activates the interests of each child. Welcome to a fun filled summer!

Each day your child will require

1. Sunscreen
2. Lunch (unless provided on special days)
3. Water bottle
4. Hat & Proper Shoes

Christopher
